

Instructions for when you arrive at:

***The National Park of Speed***

***-Road America-***

**If arriving on Friday or Saturday, you must arrive at the track between 7am-3pm as the registration building closes at 3pm sharp. On Sunday, registration closes at 11am so please plan accordingly.**

**Enter only at Gate 6 and go directly to the Registration Building to obtain your registration packet.** Gate 6 is located on Hwy 67 just west of the main gate. If you try to enter at the main gate, the Road America associates at the gate, although very nice, will not be able to help you.

Once at the registration building, step up to the Healey World Challenge window to pick up your packet. If you have registered to participate in lunchtime track touring, you will be required to sign a Road America waiver. You will also need to display a valid driver's license.

Your packet will also include wristbands that must be worn throughout the Healey World Challenge weekend. Passes for lunchtime track touring and the Road Course Reenactment Tour will

be part of your packet provided you included these events in your early registration.

Lastly, dinner tickets for the Banquet of Legends will be included if you planned ahead and will be joining us for this evening of great food and stories from our panel of Healey luminaries.

You will only need to go to the registration building on the first day of your Healey World Challenge weekend, but you will need to enter Gate 6 each additional day that you arrive. Once in the facility, proceed through the tunnel and continue straight up the hill to the paddock area. The Healey Showcase parking area is located across from the Paddock Shop and next to Victory Circle.

Welcome to Road America, the National Park of Speed! Enjoy your time exploring one of the world's premier race tracks and being a part of Healey history!
